

FUNCTIONAL AND PERFORMANCE TESTING

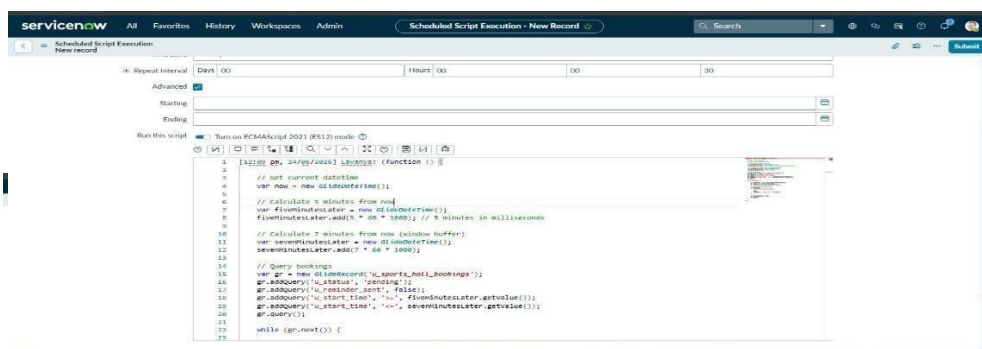

TEAM ID	SWTID-2026-4300
PROJECT NAME	“Sports Hall Booking System”

Functional Testing

Purpose: To verify that all features of the Sports Hall Booking System work correctly according to the requirements.

Testing Performed:

- User login works successfully.
- Sports hall booking is created correctly.
- Booking details are saved in the database.
- Booking status updates properly.
- Email notifications are sent after booking.
- Admin can view and manage all bookings.
- Invalid or incomplete form submissions display validation messages.
- Performance Testin

Performance Testing:

Purpose: To ensure the Sports Hall Booking System performs efficiently under normal usage.

Testing Performed:

- Booking pages load quickly.
- Multiple users can access the portal without significant delays.
- Booking records are retrieved efficiently.
- Email notifications are processed within an acceptable time.

- The system remains stable during continuous usage.
